

Welding safety equipment craftsmen welders want.

Introducing Fibre-Metal FMX™, the first complete line of welding safety equipment with the designs, performance and reliability welders want.

Welding craftsmen across the country were asked to help create the next generation of welding safety gear. The result: new Fibre-Metal FMX – designed with Xtra features welders want, and welding supply retailers have been asking for.

FMX Industry Exclusives

- Exclusive, full-wrap, heat and scratch resistant graphics
- Graphics inspired by unique culture of today's welding craftsmen
- Innovative packaging and POP to boost traffic and impulse sales
- Outstanding comfort and performance built in to every product
- Lifetime limited warranty on all helmets and headgear

FMX is research-proven. Craftsmen welders across the country told us what they wanted most in welding safety products – from design and comfort, to price and performance.

FMX Eyewear

- Lightweight frame with floating lens design for all day comfort and fit
- Wrap-around lens for added protection
 - Replaceable lens saves money
- Flexible-grip nose bridge, adjustable for a secure comfortable fit
 - 100% UV protection
- Meets ANSI Z87.1-2003 Standard
- Includes FREE micro-fiber case/lens cleaning cloth
